Potty training doesn't have to get the best of you. For home or on the go, **MY CARRY POTTY** (www.mycarrypotty.com) is ready to use whenever and wherever, and is leak- and odor-proof. Take it on a shopping trip, on the plane, anywhere your toddler goes. The carry handle makes it easy for a child to adopt it as his or her own personal possession.

The **STUDIO DIAPER TOTE** from **SKIP HOP** (www.skiphop.com) has insulated side pockets for bottles, food and sippy cups. With 12 more pockets, you can store your wallet, phone and lots more, all within quick reach. Thanks to adjustable stroller straps, you can attach this fashion statement to the handlebars of any stroller.

It's the stuffed animal that doubles as a pillow. Making their way to major retailers this summer, **HAPPY NAPPERS** (www.happynapper.com) is a collection of play pillows featuring four collectible friends: Bug Bungalow to Lady Bug, Doghouse to Dog, Igloo to Penguin and Castle to Dragon. Each has a unique sleepy sound and awakes when you press the doorbell on their Home Sweet Home.

Minimize accidents while teaching toddlers a bit of independence with **BAMBINO MIO** (www.bambinomio.com) **TRAINING PANTS**. The machine-washable training pants include a pull-up style design and waterproof layer and inner pad. Colors include pink, blue and white.

Also, summer wouldn't be complete without the swimsuit and **BAMBINO MIO** has little ones covered with swimwear that includes a built-in cloth diaper. **SWIM NAPPIES** work for boys and girls and, for full coverage, there's the **SWIMSUIT** exclusively for girls.

Get ready for a 3D exploration with the new **RAVENSBURGER** (www.ravensburger.com) **PUZZLEPYRAMID**. The triangle-shaped puzzle pyramid collection features 240-piece designs in five themes: Impressions of Africa, Sunset in the Desert, Essences of Egypt, Spirit of the Seas and Enchanted Dream World. Flexible hinged pieces are numbered on the inside and snap together to showcase a different design on each side.

Spa time for baby? COCALO (www.cocalo.com) introduces its COULTURE SPA COLLECTION including an ADULT BATH APRON that features a front pocket for holding bath items, and doubles as a towel, keeping parents dry while bathing baby. There's also the sizeable HOODED TOWEL and WASH CLOTH SET and BABY BATH ROBE, both made of cotton terry.

For fashionable moms, COCALO offers eye-catching CHLOE HOBO and KAYLA SATCHEL diaper bags. Pair it with your little black dress or for a day in the park with baby.

Sweet dreams come true with the ADEN + ANAIS DREAM BLANKET (www.adenandanis.com). The blanket of natural, gentle muslin cotton fabric comes in modern prints such as: star bright, alpha bit, jungle jam and baby cakes.

Big learning, little format, no batteries or charger needed? It's all packaged in the LITTLE GET READY! book collection by SCHOOL ZONE PUBLISHING (www.schoolzone.com). The tablet-sized, travel-friendly books include tear-off pages filled with activities for sharpening skills such as recognizing color words, identifying basic shapes, completing picture patterns, identifying rhyming words, understanding letter sounds and more.

There's nothing fun about cleanup—unless you have your NEAT SOLUTIONS (www.tabletopper.com) at the ready. Fun and familiar characters make meal and potty times more exciting with winners such as the MEAL AND PLAY MAT and TABLE TOPPER placemat. And when you're on the go, be sure to take along the disposable FLOOR TOPPER and the stick-in-place POTTY TOPPER.

For travel and everyday use, the MUTSY EASYRIDER (www.kastelinternational.com) weighs only 14 pounds and holds children three months and up.
