Pura Kiki stainless steel bottle
www.purastainless.com

An infant bottle (\$16) that can convert to a sippy cup, Kiki is made from antibacterial stainless steel and is free of dangerous chemicals.

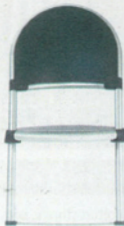

Thermos Foogo Phases cup
www.thermos.com

This big name's line of pint-sized drinkware features interchangeable parts, including removable handles on the soft-spout sippy cups (\$8-\$16).

DaBib bib
www.dabib.com

Feeding a prince or princess can be a royal mess, so DaBib (\$13) aims to catch every drip, drop and dribble. This crème de la crème of bibs has a patented crunch neck, micro fiber terry front and waterproof backing as well as a reversible crumb catcher. Groovy names and patterns include DaGiggles and DaHugs.

Mutsy Easy Grow high chair
www.mutsybaby.com

Mutsy, which brings a mod-Euro feel to its full range, counts Halle Berry and Jennifer Garner among its A-list customers. The cutting-edge high chair (\$250) gives a young eater more than just a place at the table. Included are a tilting tray, bumper bar, seat reducer and five-point harness. Due to its versatile elements, the striking chair is a shape-shifter that can accommodate children from 6 months to 12 years of age.

Next month: Bathing, wearing, rocking, playing and traveling (3E)
