GEAR

The DastGear Messenger diaper bag, in argyle skull, has eight pockets, stroller straps, changing pad, a light colored interior, a removable/interchangeable front flap, and a quick access wipes case. It is made from polyester and nylon, \$79, dadgear.com, 303-221-1511, booth 5520.

The BabyBjörn Comfort Carrier is an ergonomic baby carrier that provides the best possible support when carrying a bigger and older child for extended periods of time. The waist belt and the padded, adjustable shoulder straps distribute baby's weight evenly onto the wearer's hips and shoulders. It fits children up to 2 years, and from 13 to 31 pounds, \$199, babybjorn.com, 216-447-9140, booth 8125.

Muttsy's solution for parents with two young children, the Duoseat is a special insert with two seats that can be combined with the 4Rider stroller chassis. The seat allows for easy turning in tight places. The front seat is suitable for children 6 months and older. The rear seat, suitable from birth, can be placed in four positions. Each seat unit has its own hood, and is suitable for a maximum weight of 33 lbs. (complete stroller with Duoseat is suitable for 66 lbs.), \$199, muttsy.com, 908-879-1012, booth 5845.

Baby K'tan's Breeze baby carrier is made of 50% breathable mesh and 50% soft cotton. This reduces heat and moisture, making it more comfortable for baby and parent while retaining stability and ease of use. It can be worn with baby in over nine positions and evenly distribute baby's weight with adjustable back support. Available in gender neutral T-shirt black and T-shirt white, it includes free matching baby hat and sash, \$60, 866-937-5826, babyktan.com, booth 2627.
